Rapid Lateral Flow Tests

Dear Parents/Carers,

As of yesterday, Monday 1st March 2021, you are able to order free rapid lateral flow test kits for your household. Tests will be delivered to your house, or you have the option of collecting test kits from your local test center.

Collecting kits are quicker, you can get more tests and you free up home delivery for those that need it most

- You can get up to 28 tests (home delivery is 7 tests) per household
- You can get the tests today (home delivery is 2 days)
- No paperwork or ID is needed
- Sites are COVID-secure and operated by trained staff

Please note: you will need a valid email address and mobile phone number.
