

Year 6 Curriculum Leaflet

Spring 1

Reading

We will be continuing to read Cosmic by Frank Cottrell Boyce. We will be developing our skills in retrieval, use of language and inference.

We will be focusing on writing creatively and accurately in a range of contexts. We will be writing and performing poetry as well as producing writing based on the book 'Rooftoppers'.

Maths

We will be continuing to develop our calculation skills including long division and multiplication. Using Inspire Maths, we will be learning about geometrical construction and revising our understanding of 2d shape.

Computing

We will be improving our skills with editing and manipulating text.

Religious Education.

We will complete our studies of Buddhism as well as learning about the importance of Easter.

Physical Education

We will be working on developing gymnastic skills.

Home Learning

You can help at home by:

- Logging onto Purple Mash
- Practicing times tables every day on Times Table Rockstars!
- Completing all your work if you are learning at home.

Science

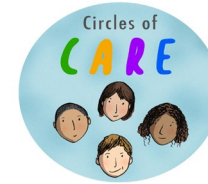

We will be studying light - how it behaves, what it is, how and why we see it and how we can use and manipulate it.

Key Vocabulary

Source
Light
reflect
mirror
refract
lens
